Important rules:

- Codes apply to future payments only (past charges are not refunded)
- Codes don't stack - if you have multiple offers, contact support to apply the best one
- **Codes are case sensitive** (all upper case)
- One-time codes apply to your next bill only
- Recurring codes apply to every renewal until expired

Common code issues:

- Check for typos (number 0 vs letter O, extra spaces)
- Ensure the code matches your plan type
- Verify the code is still active
- Contact support with a screenshot if the code still won't apply
